THE COMPANY THAT MAKES SELLING YOUR COINS AT AUCTION A PLEASURE

If you have had any thoughts at all about selling your collection—or any part of it for that matter—why not look into the Paramount Auction Way of disposing of it.

Coming up next Fall is one of the finest Sales of the year: The Grand Central Convention Auction Sale in New York City. And it will be Paramount's privilege to conduct it. Growing in popularity yearly, it is proving to be one of the best-attended and more profitable Sales, collector-wise, in the country.

We would like the opportunity to include your material in this Sale, but to meet our schedule we must start writing the catalog around the middle of August. And with the vacation season just around the corner, your thoughts are just naturally going to wander to that camping trip coming up. That trout stream in the mountains. That golf course to be played. And all those ideas of maybe selling your collection are going to be shoved into the background, unconsciously perhaps, to be thought about again at some future time.

But why put off a good thing? If it's coins you want to sell, why not let us take it from here? Now. While you are on vacation. It's so easy, selling the Paramount Auction Way. Just drop us a line. Tell us what you have to sell. Or call us, collect. Either way we'll tell you all about how a Paramount Auction Sale is run. How you are contract-protected and fully insured. How we do all the work for you. While you fish. Or golf. Or swim. Or whatever.

Like we said. It's so easy, selling the Paramount Auction Way.

You Don't Sell Your Collection Every Day

You will notice as you leaf through this catalog that we are now using the QUANTITATIVE GRADING method of describing most of the Lots in this Sale. This is to help you, the bidder, to know more precisely the condition of a coin. It works like this: If a consigned coin just meets the minimum requirements to qualify, for example, Very Fine by Brown & Dunn standards, that coin will be listed as VF-20. If the coin is better than minimum, it would then be listed as VF-25. If it is what normally would be listed as Very Fine to Extremely Fine, the coin would be designated as VF-30.

The following numbering system is employed in this scale:

Very Fair.....	3	Very Fine.....	20–30
Good.....	4–6	Ext. Fine.....	40–45
Very Good.....	8–10	About Unc.....	50–55
Fine.....	12–15	Uncirculated.....	60–70

We believe this Grading System will prove beneficial to you. Your reaction and comments on this would be appreciated.

INSTRUCTIONS TO MAIL BIDDERS

If you have never before bid by mail, you may feel somewhat at a loss in submitting a mail bid for an auction sale. Basically, however, the procedure is quite simple. You will notice on the enclosed Bid Sheet a place for entering the Lot Number as well as the amount you wish to bid (It is not necessary to describe the lot on which you are bidding). After carefully reading the description of the Lot in question, simply write down the Lot number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot No. 193. Determine the maximum price you will pay for this Lot and enter this amount on the Bid Sheet as follows:

NO.	BID
193	95 00

You will note we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price you will pay for a Lot. However, there's always the chance you may obtain the Lot for less! As indicated in our "Terms of Sale," we act as your agent and execute your bids as if you were there in person at the Sale. We will buy the Lot for you as cheaply as possible over the next highest bid. In other words, if your bid, for example, is $95.00 on Lot No. 193, and the next highest bid, whether by mail or floor, is only $75.00, the Lot would be awarded to you at $80.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read very carefully our "TERMS OF SALE." And if you have any questions regarding bidding or regarding the Sale itself, drop us a line and we will reply at once. Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the Sale in person. Many bargains are obtained through the medium of auction sales, and it can be a very exciting as well as rewarding method of obtaining needed items for your collection. We look forward to your participation in this, as well as future, Sales.
